With reference to the above, we have to state that we have submitted an appeal to the Government early in April, 1955 praying for exemption from the liability to meet the expenses of the medical staff engaged at the Government Hospitals at Mangalore. That appeal is still pending consideration by the Government. We have just requested the Government to pass early orders on our appeal. We shall be in a position to attend to the matter referred in your letter only on receipt of the order of the Government.

We, therefore, request you to keep the matter pending for the present.
